

Check Stop Overview Brief

Stage (1), Day (4)

FOCUS TEXT: Now Jericho was straitly shut up because of the children of Israel: none went out, and none came in. Josh 6:1

FOCUS INWARD (1): “Towering Impossibility”

Unquestionably, from the natural perspective of human reasoning the formidable challenge that lay before them visually stood towering as a direct contradiction to the holy directive that had been issued to Joshua and Israel.

The walls were not a figurative symbol, nor a figment of their imagination; and their opponents fully knew this and were completely reliant upon this proven defense. However, what they were about to learn was that the power of faith in Almighty God was vastly and matchlessly superior.

KEY TOUCH POINT (KTP)

Just as Israel had to strictly obey the directives of Heaven in order to witness the great wonder of the parting of the water of the Jordan River (which gave them safe passage into the land of Promise), so must they continue to adhere to the Word of God in order to gain victory over this first foe they confronted in the new realm of promised blessings.
